## Make Your Pledge After Mass This Weekend to *Building Our Church of Tomorrow ...Today Campaign*

We invite you to take just a few extra moments after Mass this weekend and pledge your support to *Building Our Church of Tomorrow ...Today*.

Our campaign volunteers will answer your questions, discuss various giving opportunities and can receive your pledge, eliminating the need for personal contact by one of our campaign volunteers.

Now is the time to put your faith into action by making your pledge commitment to our campaign after Mass this weekend!

## Why Should I Contribute to our Campaign?

Recently, parishioners have questioned why they should contribute to *Building Our Church of Tomorrow ...Today*. Our response is twofold:

**First**, your support will help fulfilling a pressing demand for meeting space for our parish ministries and expansion of important school-based educational programs.

**Secondly**, there is a parable that teaches us to plant trees today so that future generations may benefit from the shade. A small group of families 46 years ago had a vision for a church benefiting all of us today. They planted the seeds of our success.

**This is your chance to do the same** — to create your own legacy and continue the vision of those that came before us.
